Resume

A summary of my education, experience, and skills — prepared for the Digital Education programme at Xi'an Jiaotong-Liverpool University.

Summary

I am a graduate student majoring in **Digital Education** at **Xi'an Jiaotong–Liverpool University**, with a bachelor's degree in **Fine Arts** from **Anqing Normal University**. I have hands-on teaching experience as an art teacher and teaching assistant, and I am passionate about combining art education with digital tools to improve student engagement and learning outcomes.

Experience

Art Teaching Assistant

July 2022

Dingfeng Art Studio

- Assisted the lead art teacher with course instruction and provided one-on-one guidance to students on their drawings.
- Helped students improve composition, light-and-shadow handling, and other techniques by observing their works and offering specific, actionable suggestions to help them break through technical bottlenecks.

Curatorial Assistant

October 2023

"Ginkgo Rain" Art Festival Exhibition, Anqing Normal University

- Assisted in planning and organizing the campus student painting exhibition, communicating with participating students and collecting/organizing artwork information.

- Participated in exhibition layout design, planned the display order and visitor flow, and managed on-site setup and materials to ensure the exhibition ran smoothly.

Art Teacher (Teaching Intern)

March 2025

Anqing Daguan District Shili Central School

- Independently taught art courses for Grade 1 and Grade 5 students, using simple digital tools to help students stay focused and develop interest in art; completed dozens of class hours with high student work completion rates.
- Deeply participated in the scene design and decoration of multiple school-level events including the campus art festival, and received recognition from the school.
- This experience strengthened my cross-grade teaching ability.
